

Support to navigate big events with children

3 simple steps to share evidence-based information from 'Something Bad Happened' by Dawn Heubner PhD

1. Share to Professionals

From the 'For Professionals' section, share this blog with key insights from the book

Something Bad Happened

When I was reading Something Bad Happened, little did I know that just around the corner, the contents would be more useful than ever for trusted adults to sensitively navigate big events with children.

2. Send to Parents

From 'Advice & Information for Parents' section, share this link to our Parent's Guide via email or social media

A Parent's Guide to... navigating big events with children

5 key things that parents, carers or any trusted adult can do to help children navigate big events, like the pandemic and lockdown we are currently experiencing.

BeeZee Bodies

@BeeZeeBodies has put together an image and blog to help talk to children about big events - download here!

WAYS TO NAVIGATE BIG EVENTS WITH CHILDREN.

1. Talk it out.
2. ...or draw it out!
3. List the Facts
4. Share positive stories.
5. Do what makes you healthy and happy.
