

Adult Disabilities Nutritionist/Dietitian

Birmingham, UK

We are looking for a team of Nutritionists and Dietitians to deliver our new adult weight management programmes in Birmingham. This is an exciting new project if you want to help adults with disabilities (including visual impairments) and learning disabilities become happier and healthier.

We have a strong sense of who we are and who we want to be, this is embodied in our 5 ways of being:

Our Values

- BE REAL** We are genuine, authentic, transparent, and have integrity
- BE PASSIONATE** We are who we are and won't hide our passion for what we do
- BE INNOVATIVE** We are creative and love to explore new ideas
- BE EMPOWERING** We are supportive and help people to make great choices
- BE COURAGEOUS** We are brave and bold and live the values we believe in

What's the role?

You will deliver our award winning behaviour change and weight management services to adults with disabilities or learning disabilities across Birmingham, whilst working with local professionals to ensure we are 'meeting people where they are to maximise engagement in all eligible groups, and targeted working with those with greatest need and highest risk of obesity'.

There will also be a piece of work around ensuring the programmes and resources are coproduced with local people with disabilities, professionals and carers to ensure we develop relevant, effective services.

The important stuff: Title, dosh, hours

- JOB TITLE** Nutritionist/Dietitian
- HOURS** Full time (40 hours per week) Part time will also be considered
- SALARY** £23,000 - 28,000 per annum FTE
- LOCATION** Office based in Birmingham but working in community centres across the city and some from home

What will you do if you get the job?

- Support the recruitment of individuals to the interventions
- Help to refine existing programmes and develop new ones in line with evidence, co-production and sound underpinning theories
- Be part of a team that delivers the award winning BZ behaviour change and weight management programme
- Empower individuals to manage their weight and behaviour effectively by
 - understanding their individual context and needs and supporting them to change behaviours
- Ensure we deliver evidence based advice to adults with disabilities or learning disabilities across Birmingham- keeping up with changes and new ways of working
- Following up with individuals after sessions to ensure they are on track and referring onto alternative services if necessary
- Help us achieve our contract aims
- Input data and manage caseloads of individuals using our online data system
- Work with local professionals to increase referrals to our service and build on existing partnerships
- Refer individuals to support from local services
- Contribute to a positive working environment to help the team thrive and innovate and use new ideas (a good sense of humour is a must)
- Work alongside the wellbeing coordinators to support individuals on the 1-1 service with nutrition advice
