

Team Administrator

Birmingham, UK

We are looking for a strong and talented administrator to support the Adult Weight Management team in Birmingham. If you are an excellent communicator who is great with data and loves working with the local community, then we want to hear from you!

We have a strong sense of who we are and who we want to be, this is embodied in our 5 ways of being:

Our Values

- BE REAL** We are genuine, authentic, transparent, and have integrity
- BE PASSIONATE** We are who we are and won't hide our passion for what we do
- BE INNOVATIVE** We are creative and love to explore new ideas
- BE EMPOWERING** We are supportive and help people to make great choices
- BE COURAGEOUS** We are brave and bold and live the values we believe in

What's the role?

As the Team Administrator you will be providing back end support for the webinars and capturing, verifying and processing the relevant data in the DCRS system.

You will be responsible for managing social media, contacting participants and reviewing the resource emails that are issued to the participants.

We are looking for someone who cares about supporting adults be their best selves!

The important stuff: Title, dosh, hours

- JOB TITLE** Team Administrator - AWM
- HOURS** Full time (40 hours per week) including some early evening work
- SALARY** £19,760 - £22,000 per annum, dependent on experience
- LOCATION** Our Birmingham office and some working from home.

What will you do if you get the job?

- Support the production of the Nutrition Webinars
- Backend webinars by taking registers, helping with any technical issues, sending out links in the relevant whatsapp group or over email and support anyone who is struggling to gain access
- Help with data collection for all participants and ensure that the DCRS is up to date and accurate
- Manage the social media comms
- Help co-ordinate the programmes to ensure the involvement of adults in the design and implementation of any campaigns or services we develop together
- Help us achieve our contract aims
- Input data and manage caseload of families using our online data system
- Work closely with the Referral Hub team to ensure all participants information is up to date and the BZ Live team has the required data
- Contribute towards a positive working environment, sharing and applying new ideas
- Adhere to professional practice standards and legislation, including confidentiality, safeguarding equality, diversity and inclusion policies
- Manage workload and nutrition queries effectively and independently
- Undertake other relevant work as required by BeeZee Bodies
